ADDITIONS AND CORRECTIONS TO

“The Parke Families of Massachusetts”

The following pages contain all the additions and corrections to the PARKE FAMILIES OF MASSACHUSETTS collected by the compiler since that book was published in 1909. By far the largest number of notes have been received from ADMIRAL C. W. PARKS, U. S. N., (No. 3170). MR. ALBERT M. PARKS, of Philadelphia, Pa., (a descendant of Aaron, No. 165); and MRS. PALMER JOHNSON, of Marion, S. C., (a descendant of Thomas No. 333), collected and forwarded a great deal of information in regard to their branches of the family.

June 28, 1795. She was born 1775, and died June 16, 1828. She was the daughter of Edmund and Susanna Nunn Botsford. Dr. Park graduated from Brown University, Providence, R. I., in 1791 and went to South Carolina (Pee Dee Section) in the latter part of the same year. He had charge of St. David's Academy from 1791 to 1800. Later he took charge of the academy at Ebenezer in Burlington County. He was transferred from that position, upon the organization of the South Carolina College, to the professorship of languages; having been elected in Nov. 1806, and continued there until 1834-5. He was then elected Treasurer and Librarian of the College, and faithfully discharged the duties of those offices until his death in 1844. With a well trained mind, correct scholarship, particularly in ancient classics, he entered upon that highly useful and most successful career a teacher of youth, which only terminated with his declining strength, more than forty years afterwards. Few men did more than Thomas Park for the education of the youth of South Carolina, and no one ever retired from a position so difficult to fill, with a larger share of the confidence and affection of those with whom he had been associated.
